Rethink Your Drink Day, May 8th

Rethink Your Drink Day is a Statewide Day of Action in California to raise awareness about the health effects of sugary drinks and promote the benefits of drinking water. On the same day, local organizations have the ability to execute this event to promote healthy living across the entire state of California.

The Rethink Your Drink Program’s primary goals are to:
* Educate Californians about healthy drink options,
* Help identify drinks with added sugar, and
* Make the link between consumption of sugar-sweetened drinks and health risks.

In this way, the program hopes to shift consumption toward healthier, more affordable beverages, like water. At the same time, the Rethink Your Drink Program hopes to stimulate community-level partnerships and invite local environmental changes that will improve access, affordability and desirability of healthy beverages. Please check this link for updates: https://rethinkyourdrinkday.com/

We want to hear from you!
The UC CalFresh State Office would love to hear from you! Please email Elizabeth Egelski at eegelski@ucdavis.edu to share your comments, stories, photos or other items you would like to see featured in future Weekly Updates.

This material was produced by the University of California CalFresh Nutrition Education Program with funding from USDA SNAP, known in California as CalFresh (formerly food stamps). These institutions are equal opportunity providers and employers. CalFresh provides assistance to low-income households and can help buy nutritious foods for better health.
