March 2019

Integrated Work Plan (IWP) Office Hours
Our next IWP Office Hours will be March 26th – 1-2pm. Please continue to send your questions on the IWP & SNAPshot to your county lead and copy Andra Nicoli (amnicoli@ucdavis.edu) so that they can be added to the FAQ’s and discussed at our next office hours! The March 26th Office Hours is the last “office hours” before your April 2 submittal of the FFY20-22 IWP, so our intention is to try to leave most of this time for dialogue and discussing any new FAQ’s that come to our attention.

Tuesday, March 26th IWP Office Hours call-in information:
Step 1: Dial-In
U.S. Toll: 303.248.0285
Access Code: 7544137
Step 2: Web Login
https://cc.readytalk.com/r/8ipixly3eoub&eom

Display of “And Justice for All” poster (vs AD-475-B)
Please display the “And Justice for All” poster (version AD-475-B) whenever and wherever SNAP-Ed services/education/interventions are provided.
This is a UC CalFresh Program Directive No. 2018-05 and is articulated in the FFY2019 SNAP-Ed Guidance (pg 69) and the UC CalFresh Lesson Observation Tool #7. You may recognize this poster as the ‘blue version’. If a site displays another version of the poster to meet other requirements, the AD-475-B version must be displayed concurrently to meet our SNAP-Ed requirement. All “And Justice for All” posters must be displayed in a specific size: 11” width x 17” height.

A digital copy of the poster can be found on the USDA-FNS website. If you have any questions, please contact your county lead.

Childhood Obesity Conference Registration/Poster Session Application Deadline Extended
• Conference Registration: Register by April 30 to avoid late fee
• Poster Session deadline: extended to March 29th, 11:59 pm

UC CalFresh Success Stories
Please note that success stories are no longer reported through the online data entry portal. Entries from the PEARs Success Story module will be used to inform this section on the Weekly Update.

“[This class] has opened my eyes to more options on how to eat and drink healthier, feed my children healthier snacks and healthier breakfasts, lunches, dinners. I will definitely be checking all the labels on all the food items I buy, and the drinks as well.”
—Eating Smart, Being Active Participant, Alameda County

“[This class] has helped me a lot. We eat plenty of spinach at home now. I freeze my tomatoes & chilies. I use less salt. I motivate my daughter to eat more vegetables. My husband eats a lot of meat. I’m swapping it out for fish and chicken breast.”
—Plan Shop Save Cook Participant, Imperial County

UC CalFresh "Building Capacity in Wellness" Training—Updated Dates
The Save-the-Date for this training is attached to the 3/14/2019 Weekly Update.
The new dates for the trainings are as follows:
* June 19th in Fresno, California
* June 26th in Davis, California
Description: The UC CalFresh State Office, Public Health Institute Center for Wellness and Nutrition, and UC Davis Center for Nutrition in Schools are holding a workshop focused on building UC CalFresh staff capacity related to school wellness policy and school wellness initiatives. By the end of this workshop, participants will be able to:
  - Describe the benefits of school wellness strategies on academic performance and student health
  - Explain how UC CalFresh initiatives connect to the FNS and USDA’s Final Rule on Local School Wellness Policy
  - Demonstrate ability to facilitate prioritization and action planning exercises for school wellness policy implementation
  - Identify how the Local Control and Accountability Plan (LCAP) can assist in funding portions of district action plans
Registration: An updated registration link will be sent out in mid-March. Please reach out to Melanie Gerdes magerdes@ucdavis.edu if you have any questions or concerns.

UC CalFresh in Action!
Nominate a Star! UC ANR Staff Appreciation and Recognition (STAR) Awards
Nominations are being accepted now for the annual UC ANR Staff Appreciation and Recognition (STAR) Awards. The deadline for submission is April 5, 2019.
The STAR program is your opportunity to celebrate and reward the great contributions of ANR’s people. The program provides one-time cash awards in recognition of outstanding achievement. Managers may nominate individuals and teams demonstrating exceptional performance, creativity, organizational abilities, work success, and teamwork.
Policy-covered ANR staff and members of the Clerical Unit (CX) are eligible to be nominated. Staff in other collective bargaining units, academics and members of the Senior Management Group are not eligible to receive STAR awards.
Nomination forms and program guidelines are available on the UC ANR HR website. Send your nominations by April 5th via e-mail to humanresources@ucanr.edu. STAR Awards will be celebrated during an ANR recognition event at the Second Street building in Davis on June 18, 2019.

2019 County Health Rankings Released
A collaborative project of the University of Wisconsin Population Health Institute (UWPHI) and the Robert Wood Johnson Foundation (RWJF), the annual County Health Rankings show that where you live influences how well and how long you live. The Rankings allow counties to compare their neighbors in each state on more than 30 factors - such as severe housing cost burden rates and children in poverty - and help communities move with data to action to build a Culture of Health together in new and creative ways.

FDA Creates Menu Labeling Resource
The U.S. Food and Drug Administration (FDA) has launched a website Calories on the Menu - Information for Consumers. The information focuses on areas where there are gaps in consumer understanding and use of nutrition information, such as the number of calories that are needed in a day. In addition to calorie needs, consumers can learn more about how to find calories on the menu, on grab-and-go items, and on salad bars and how to use this information to make choices that are right for them and their families.

School Grants for Healthy Kids
Despite wanting to do what’s best for students’ health and academic success, many schools lack the necessary resources to implement health and wellness practices that help students eat better, stay physically active and be better prepared to learn. But thanks to our sponsors, Action for Healthy Kids has provided $8.7 million in grants to schools since 2009 to help them accomplish their student wellness goals. Sign up for the Action for Healthy Kids emails to stay up to date and find out how schools are putting their grants to work. New to this year, all of the Action for Healthy Kids grant-funded schools will be automatically enrolled as an Active Schools Champion. Champions will be able to learn more about the Active Schools movement and will gain access to free resources to help keep kids active.

See the Action for Healthy Kids website for deadlines and steps to apply for Game On Grants, School Breakfast Grants, and Parents for Healthy Kids Grants.

Systems Approaches for Healthy Communities Web-based PSE training is available again!
Systems Approaches for Healthy Communities (SAHC) is a web-based training from the University of Minnesota (UMN) Extension designed to help professionals effectively apply policy, systems and environmental change (PSE) approaches to their work.

Five interactive, self-paced, online modules are the primary source of content with material presented through activities, examples, stories, reflection questions and interactive exercises. Viewed individually or in groups, it is best to complete all five 50-60 minute modules within a flexible 4-6 week period.

Facilitated discussions following the modules is an essential part of the program's success. It helps staff reflect on relevant program content and consider ways to apply strategies to strengthen their PSE work. UMN recommends discussion sessions led by PSE supervisors or team leader within each local agency. Agencies that are not able to facilitate their own discussions can participate in a series of virtual sessions led by the California SNAP-Ed Statewide Training Team.

For More Information: CA Snap Ed Training
The University of California CalFresh Nutrition Education Program (UC CalFresh) is funded through a joint agreement among the U.S. Department of Agriculture/Food & Nutrition Service (USDA/FNS), the California Department of Social Services (CDSS) CalFresh and Nutrition Branch, and the University of California Cooperative Extension (UCCE). This material was produced by the University of California CalFresh Nutrition Education Program with funding from USDA SNAP, known in California as CalFresh (formerly food stamps). These institutions are equal opportunity providers and employers. CalFresh provides assistance to low-income households and can help buy nutritious foods for better health. For CalFresh information, call 1-877-847-3663.

Rethink Your Drink Day, May 8th
Rethink Your Drink Day is a Statewide Day of Action in California to raise awareness about the health effects of sugary drinks and promote the benefits of drinking water. On the same day, local organizations have the ability to execute this event to promote healthy living across the entire state of California.

The Rethink Your Drink Program’s primary goals are to:
* Educate Californians about healthy drink options,
* Help identify drinks with added sugar, and
* Make the link between consumption of sugar-sweetened drinks and health risks.

In this way, the program hopes to shift consumption toward healthier, more affordable beverages, like water. At the same time, the Rethink Your Drink Program hopes to stimulate community-level partnerships and invite local environmental changes that will improve access, affordability and desirability of healthy beverages. Please check this link for updates: https://rethinkyourdrinkday.com/
