Statewide Recruitment Process
Admin Officer/Co-Hiring Manager with the local county Program Supervisors and Managers

Proposed workflow with Co-Hiring Manager –

• Initiation
  • Create HR Ticket to get an HR Business Partner assigned.
  • Send completed PMF forms out for signatures.
  • Work with Program Supervisors to update Position Descriptions.
  • Once job is approved and posted; monitoring begins for new applicants.

• Applicants
  • Once two week period ends, assist with next steps.
    • Pre-screen candidates, help prepare TAM disposition, schedule interviews, and final selections.

• Salary Offer
  • Assist with salary offers/negotiations.

• On-boarding
  • Assist with On-boarding.

(A more detailed and comprehensive step by step process will be sent to all Program Supervisors and Managers to be utilized at your discretion)
TB Screening

Schools/districts have the right to require TB screening from our staff (volunteers) - CA Ed Code Section 49406.
  • District governing board can also decide not to require screening

TB Risk Assessment Form
  • Must be completed by a health professional
  • Only the Certificate of Completion is submitted
  • Not considered medical information

Staff should provide the form directly to the school – we should not collect or retain these forms.
TB Screening

ANR does not provide funding for the cost of the screening

Possibly ask if school nurse or district nurse can do the screening
Guidelines for Establishing MOU's

**First step**: determine whether the organization (district, school) can accept UC’s standard MOU form.

**Nutrition MOU Template**

School district agreement forms usually require modifications to comply with UC policy.

Automobile Insurance (UCOP Travel Policy G-28)

When an employee uses their personal vehicle for University business, they are required to maintain adequate liability insurance coverage.

Minimum prescribed liability insurance coverage per UC Travel Policy (https://policy.ucop.edu/doc/3420365/BFB-G-28) as follows:

- $50,000 for personal injury to, or death of, one person;
- $100,000 for injury to, or death of, two or more persons in one accident
- $50,000 for property damage

DMV minimum is $15,000 / $30,000 / $5,000

Employees should understand that their personal auto insurance is primary when driving for work. UC’s insurance would only come into play after the employee’s insurance limits (per policy) were exhausted in a work-related accident.
Automobile Insurance (UCOP Travel Policy G-28)

When submitting mileage reimbursement (via AggieExpense) the employee is required to attest that they have auto liability insurance that meets the UC travel policy requirements.
Educator Self-Assessment Tool

Supports the EPAR Goal-Setting Process
