

The highlighted meeting times are generally when the group meets. There are a few caveats due to holidays and a few conflicts with standing meetings. However, please, see details below for our general schedule and links to register for each group. You're welcome to register for one, two or all three. Please, feel free to explore each group to find the one that best fits your needs. For exact dates for each meeting see this [schedule](#).

Garden Workgroup: This group will work to collect garden related resources that have been created locally. We will work to create consistent materials throughout the State that are relevant to the different climate zones. Best Practices for adding support activities to the curriculum will be identified and documented. Materials will be developed and shared with the Gardening Support Group. **This group meets the third Friday of each month from 2:30pm – 3:30pm.**

Gardening Support Group: The focus of this group is to LEARN about gardening and garden programming. Meetings will include informational sessions related to seasonal garden information, best practices for garden programming, and garden pest information. There will also be interactive question and answer sessions. **This group meets the first Monday of each month from 3:00pm – 4:00pm.**

Growing Together Community of Practice: The focus of this group is to build community. BOTH Garden Workgroup and Gardening Support Group members should attend. We will work on connecting and collaborating. Success stories and learning experiences will be shared. A project for this group will be growing the same thing in each county and sharing the experience. **This group meets the fourth Monday of each month from 3:00pm-4:00pm.**
