

Dear Student,

Hello! We are CalFresh Healthy Living, University of California (UC). Our program teaches young people about healthy eating and physical activity habits. Our goal is to help students stay healthy. Our program is funded by USDA. The program is free to your school or community.

To find out how well our lessons work, we ask that you complete this survey. However, completing the survey is totally voluntary. *Voluntary* means you can agree or not agree to complete it. It is up to you. You may also skip questions you do not want to answer. But, we hope that you will answer all of them. Any information about who you are will be kept secret. We will not share your name or id number.

If you have any questions about the survey, just ask us!

Name of your local CalFresh Healthy Living, UC educator: _____

Phone number: _____

You may also contact our CalFresh Healthy Living, UC State Director: Kamaljeet Khaira, University of California at Davis, 1632 DaVinci Court, Room #31, Davis CA 95618 (530) 752-0555

If you have any concerns or complaints about our CalFresh Healthy Living, UC evaluation, you may also contact the Institutional Review Board, University of California at Davis at (916) 703-9151, from 8:00 a.m. to 5:00 p.m., Monday through Friday, or by writing to the Institutional Review Board, CTSC Bldg., Suite 1400, Rm. 1429, 2921 Stockton Blvd., Sacramento, California 95817.

This material was funded through a joint agreement among the USDA/FNS, CDSS CalFresh Healthy Living Section, UC Davis and the UC Cooperative Extension (UCCE). . These institutions are equal opportunity providers and employers. CalFresh Food provides assistance to low-income households and can help buy nutritious foods for better health. For information, call 1-877-847-3663.

Directions....

1. It is important that everyone be very quiet and follow the directions.
2. Each question will be read out loud one at a time. It is important that we stay together as a class.
3. After the question and the answer choices have been read, choose which answer you think is correct by circling the letter in front of that answer.
4. Circle only one answer for each question.
5. Answer all of the questions.
6. If you do not know an answer to a question, make your best guess.
7. If you want to change you answer, carefully erase the letter you circled and clearly circle another.

Thank you for your help!

Use the following information to answer the question below.

Food A:

Nutrition Facts	
12 servings per container Serving Size 1 cup (300g)	
Amount per serving	
Calories	110
% Daily Value*	
Total Fat 3g	5%
Saturated Fat 1g	5%
<i>Trans</i> Fat 0g	
Cholesterol 12mg	4%
Sodium 200mg	8%
Total Carbohydrate 12g	4%
Dietary Fiber 0g	0%
Total Sugars 12g	
Includes 0g of Added Sugars	0%
Protein 8g	2%
Vitamin D 3mcg	15%
Calcium 272mg	20%
Iron 0mg	0%
Potassium 422mg	9%
*The % Daily Value (DV) tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used for general nutrition advice	

Food B:

Nutrition Facts	
12 serving per container Serving Size 1 cup (300g)	
Amount per serving	
Calories	185
% Daily Value*	
Total Fat 9g	5%
Saturated Fat 6g	5%
<i>Trans</i> Fat 0g	
Cholesterol 40mg	4%
Sodium 200mg	8%
Total Carbohydrate 13g	4%
Dietary Fiber 0g	0%
Total Sugars 12g	
Includes 0g of Added Sugars	0%
Protein 11g	3%
Vitamin D 3mcg	15%
Calcium 272mg	20%
Iron 0mg	0%
Potassium 422mg	9%
*The % Daily Value (DV) tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used for general nutrition advice	

11. How many more grams of protein are in Food B than in Food A?

- a. 0 grams
- b. 1 gram
- c. 3 grams
- d. 5 grams

12. Which of the following nutrients helps our eyes see in the dark?

- a. Vitamin C
- b. Carbohydrates
- c. Vitamin A
- d. Water
