1. During the past week, did you engage in moderate physical activity for at least 2 ½ hours?  
☐ Yes  
☐ No  
*This includes activities that get your heart beating faster like brisk walking, jogging, playing soccer, and doing fitness or dance classes, or exercise videos. This could be all at once or a little at a time.*

2. Within the next week, how often will you engage in moderate physical activity?  
☐ Same as before  
☐ More often

Please share with us how this workshop will help you and your family:
