- Guided Evaluation**
 - Library of survey instruments
 - Program activity details and survey response data
 - Success stories
 - Policy, systems and environmental (PSE) change efforts
 - Indirect activities
- Automated Reports**
 - Generate annual EARS data with just a few clicks
 - Dashboard with a birds-eye view of project impact
 - Statistical analysis via automated Excel exports
 - Charts, maps, data imports, and more
- Added Benefits**
 - Standardized system for reporting and tracking
 - Built and maintained at a professional evaluation office
 - Data collection tools aligned with the evaluation framework
 - New features & updates released regularly
 - Additional tools available to support state-wide extension efforts
- Support**
 - Friendly team of system experts available by phone and email
 - Online and onsite training available
 - Searchable knowledgebase of FAQs and instructions
 - Dedicated development and technical support teams who work closely with the SNAP-Ed coordinators

- PEARS Link to log into system:
<https://pears.oeie.org/accounts/signin/>
- *You should have received a Welcome Email from PEARS asking you to sign in and create a password, this portal is only open for 72 hours, if you do not go into the system and get your username and password set up the portal will close and you will need to click on forgotten password to have another email sent to you.*
- *If the system says there that no profile exists, you will need to contact the State Office to be added to the system please email:*
Jennifer Quigley jaquigley@ucdavis.edu

PEARS Menu

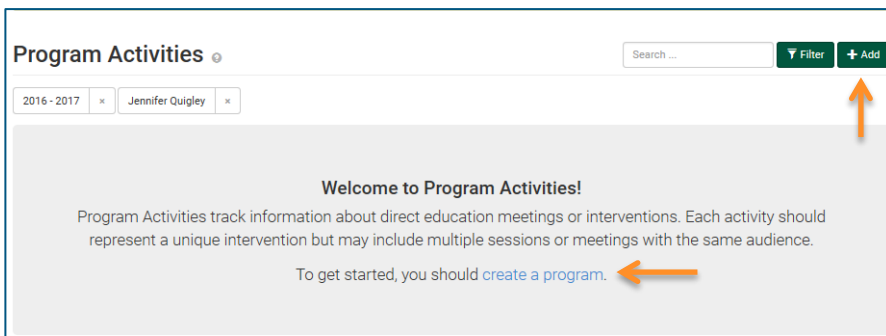

Breadcrumbs can be used to return to a previous page

- "Plan" is where you will create your survey instruments. OR Evaluation Tools
 - For FFY18 there are only two evaluation tools available to UC CalFresh users
- "Track" is for recording the impact of your work. Here you can enter your program activities, success stories, indirect activities, PSE site activities, and partnerships.
- "Analyze" is where you will be able to see an overview of the information that has been entered into the system. From there you can begin interpreting and evaluating the data. This includes **reports** for the unit snapshot, EARS data, and duplicate contacts. You will also find **exports** for program activities, success stories, indirect activities, and templates here.

-  Use the search function to find Program Activities, Users or other data.
 - Use the filters function to narrow your search results.
-  This is the "Support" tab. From here you can go to the main documentation page where you will find detailed explanations, tutorials, and FAQs for each PEARs section. There is also a list of resources for SNAP-Ed with links.

- To begin adding a Program Activity (Direct Education) use the menu bar along the top and Click on **TRACK** and a dropdown list will appear →Choose **PROGRAM ACTIVITIES**

The screenshot shows the 'Program Activities' page. At the top left, it says 'Program Activities' with a dropdown arrow. To the right is a search bar with 'Search ...' and two buttons: 'Filter' and '+ Add'. Below the search bar are two filters: '2016 - 2017' and 'Jennifer Quigley'. The main content area has a heading 'Welcome to Program Activities!' followed by a paragraph: 'Program Activities track information about direct education meetings or interventions. Each activity should represent a unique intervention but may include multiple sessions or meetings with the same audience.' Below this is a link 'To get started, you should create a program.' with an orange arrow pointing to it. Another orange arrow points to the '+ Add' button in the top right corner.

- Your initial page will have no activities listed, so you will need to choose the **ADD**  button to add a new Program Activity to the list or *“Create a program”*
- The next page that will appear is the first page to enter data for a Program Activity

Add Program Activity Screen 1

Update Program Activity

Program Activities track information about direct education meetings or interventions. Each activity should represent a unique intervention but may include multiple sessions or meetings with the same audience.

Program activity name *

This is a name you give the program activity for your reference.

Reporting period *

Site *

Choose the site where this program was delivered. You may also select an organization that includes multiple sites (e.g. a school district or grocery chain). What are inactive sites?

Unit *

This is the unit where the program activity was delivered.

Delivery people

These are the names of the users who delivered the program activity. If you helped deliver the program activity, remember to add yourself.

Volunteers

<input type="text" value="2"/>	<input type="text" value="1"/>	<input type="text" value=""/>	<input type="text" value=""/>
Number	Total hours	Youth	Peer Volunteers Involved

Sessions 

If this program activity involves multiple meetings or sessions with the same audience, please indicate those below.

Start Date *	Start Time	Length (min) *	# Participants	Using IM 
<input type="text" value="12/18/2017"/>	<input type="text" value="3:30 pm"/>	<input type="text" value="30"/>	<input type="text" value=""/>	<input type="text" value=""/>
<input type="text" value="12/18/2017"/>	<input type="text" value="3:30 pm"/>	<input type="text" value="30"/>	<input type="text" value=""/>	<input type="text" value=""/>

Comments

Optional. Use the field below for any additional comments about the Program Activity.

Program Activity Information

Program Activities track information about direct education interventions. Each activity should represent a unique intervention but may include multiple sessions or meetings with the same audience.

Following are the fields to complete on the **Program Activity Information** page:

<p>Program Activity Name</p> <div style="border: 1px solid green; padding: 5px;"> <p>Program activity name *</p> <input style="width: 90%; height: 30px;" type="text"/> <p>This is a name you give the program activity for your reference.</p> </div>	<ul style="list-style-type: none"> This is the name you will give to your Program Activity that will be carried out throughout the fiscal year as you add more session dates and time. Ensure the Program Activity Name is one you can filter on and return to and add additional Sessions. <p><i>(See also Handout with Guidelines for Program Activity names)</i></p> <p>Suggestions/Examples:</p> <ul style="list-style-type: none"> YE-series Ms.Smith-4th Grd [YE=Youth Education-Name of teacher-Grade] AE-series PSSC-Gospel Mission [AE=Adult Education-Name of series-site]
<p>Site</p> <div style="border: 1px solid green; padding: 5px;"> <p>Site *</p> <input style="width: 90%; height: 30px;" type="text"/> <p>Choose the site where this program was delivered. You may also select an organization that includes multiple sites (e.g. a school district or grocery chain). What are inactive sites?</p> </div>	<ul style="list-style-type: none"> Chose the name of the site the Program Activity is being delivered in, please ensure that you have the correct address for the name of the site as some site names are the same or very similar. If the site you are looking for is not on the list, you may add the site following the Site Change Process described below:

Adding sites to PEAR

For site(s) using an approved Methodology only

This process is to be used only for Approved Methodology Sites—which include sites which qualify using either an “Approved Traditional Method” or “Approved Alternative Method” as defined on the [FFY 2017 USDA/WRO Targeting Methodologies Summary Document](#). If the proposed site change qualifies a site using an “Approved Alternative Method”, assurance must be given that appropriate documentation is available and on file to substantiate the Approved Alternative Method determined for the site.] For Alternative Methodology Sites, please see the [SNAP-Ed FFY 2017–2019 Site Change Notification Process](#), [Instructions for Alternative Methodology Sites](#) and the [SNAP-Ed Site Change Form B](#).

PLEASE NOTE: It is important that the [site change process](#) be followed in full, with all SIAs and LIAs within the county jurisdiction notified of the site change once agreement and consensus has been made between the LIAs, and once updates have occurred.

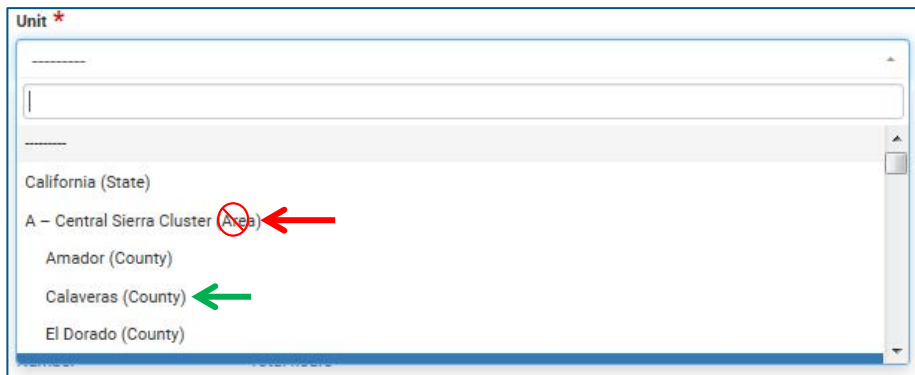

1. Once Consensus is obtained and the SharePoint Site List has been updated in accordance to [Program Directive 17-01: FFY 2017–2019 Site Change](#)

Process Notification the LIA will submit a request to the appropriate SIA contact(s) to add the approved sites into the PEARS System.

- a. Organization name if applicable
- b. Site Name and Address
- c. Site Setting

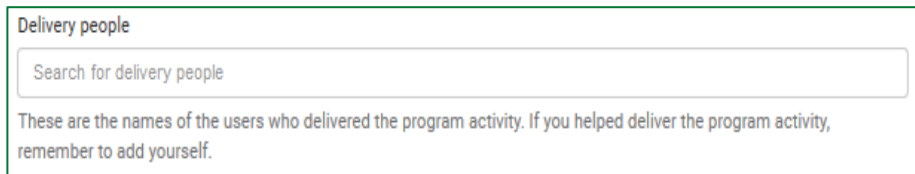

2. The LIA PEARS User will enter in the new site using the Add Site  function.
3. SIA's will review the sites in PEARS and address duplication or incorrect information with the LIA.

Unit

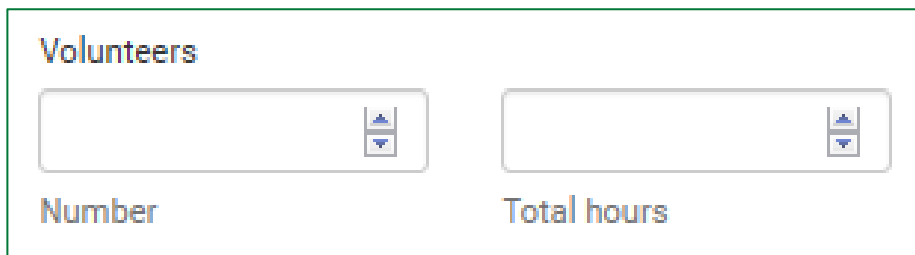

- This will be the county name, for clusters, please use the specific county name for the site the delivery occurred in.
- Do not use the cluster option if you are part of a UC CalFresh Program with multiple counties

Delivery People

- This will be the name of the educator(s) working with the site on the Program Delivery, and or the person (educator) entering the data. (Note: Delivery People need to have a PEARS user account.)
 - *Make sure the data entry staff or supervisor and the educator working with the site are listed so both can make edits to the Program Activity if needed*

Volunteers

- Number
 - List the number of volunteers [Teacher/Extender(s)] involved in this Program Activity
- Hours
 - Enter the total number of hours for the reporting period the teacher/Extender(s) delivered the program activity.
 - *This number will increase over time as more sessions and volunteer time is accrued throughout the fiscal year*

Sessions

Sessions ⓘ
If this program activity involves multiple meetings or sessions with the same audience, please indicate those below.

Start Date * Start Time Length (min) * # Participants Using IM

mm/dd/yyyy 3:30 pm

- These are the number of times the teacher/extender(s) have taught DE in a month/quarter
- This can also be a sessions that an educator teaches to the same audience or classroom, there would not be a separate program activity report created for the UCCE Educator if the teacher or extender is working collaboratively to deliver the lessons with UCCE staff.
 - *Leave the # of Participants blank here*

Start Date

Start Date * Start Time Length (minutes) * Using IM

mm/dd/yyyy 3:30 pm

- This can be the actual date if using the *Daily Tracking* NARF with Dates included **or** the first working day of each month for the *Monthly Estimates* NARF.

Start Date * Start Time Length (minutes) * Using IM

07/03/2017 3:30 pm 30

Start Date * Start Time Length (minutes) * Using IM

07/03/2017 3:30 pm 30

Start Date * Start Time Length (minutes) * Using IM

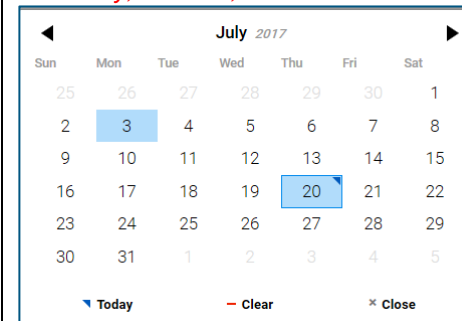

07/03/2017 3:30 pm 30

Monthly Estimate NARF

Month	Total Hours per Month	Total # of times per Month	Average mins/session
July-2018	1.50	3	30
August-2018	3.00	6	30
September-2018	2.00	3	40

- **For example** using the UC CalFresh monthly estimates **NARF** in July the extender taught 3 times for a total of one and a half hours. This averages out to 30 minutes per session.
 - The first workday was the 3rd so this date could be used for all July sessions entered for the month the extender taught lessons. (3 each 30 minute lesson for July)

Note: For extenders/volunteers, reporting the exact date sessions were delivered is not necessary; however, the date field does need to be completed.

Sessions ⓘ
If this program activity involves multiple meetings or sessions with the same audience, please indicate those below.

Start Date *	Start Time	Length (minutes) *	Using IM
07/03/2017	3:30 pm	30	<input type="checkbox"/>
07/03/2017	3:30 pm	60	<input type="checkbox"/>
07/03/2017	3:30 pm	90	<input type="checkbox"/>
07/14/2017	3:30 pm	60	<input type="checkbox"/>
07/03/2017	3:30 pm	30	<input checked="" type="checkbox"/>

Figure 3 Example of finished sessions for the month of July

Hovering over the "IM" will provide you with this definition

- If the UCCE Educator provides a support lesson or taste test lesson to the same participants, this would also be added; however, the educator would know the date of delivery and would add the session with the accurate date information and the accurate time in minutes the lesson was delivered rather than an average of all time in the month.

- **Start Time**
 - This can be left at the default time of 3:30 pm
- **Length (Minutes)**
 - Each lesson or session taught by the teacher/extender is listed out individually

- **Using Interactive Media (IM)**
 - If IM was used to deliver the Program Activity in place of a live educator move the slide to the right turning the button green
 - Interactive Media, The integration of text, audio, graphics, still images, and moving pictures into one computer-controlled, multimedia product that provides and individualized educational experience based on the participant's input.

Comments

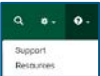

Comments

Optional. Use the field below for any additional comments about the Program Activity.

- Use this section to clarify sessions, curricula, or any “Other” activities.
- **Saving your Program Activity**
 - Clicking Save and Continue will save the information and move to the next section “**SNAP-Ed Custom Data**”; Clicking save will save the data entered on the Program Activity Page, you may return to this program activity name to continue entering data at a later time.

- Please note that prior to Quarter two of FFY2018 school demographics will not be available. To ensure that this information will pre-populate once the data set is uploaded to PEARS please enter the following information regarding classroom size for school youth
 - **“25 Participants”**
- All other comments should follow this information in the comments section. This will allow the site administrators to populate the demographics for your school site in quarter two.
- Using the **“SAVE”** button save the Program Activity and move onto the SNAP-Ed Custom Data, **skip the demographics page.**

- There are 9 support Articles that can be reviewed on this section by clicking on the question mark on the green menu bar  and choosing Support from the dropdown list. , these articles can also be accessed anytime there is a question mark icon with in a data entry page you are working. 

- [How to Add a Program Activity](#)

SNAP-Ed Custom Data

In this section the following items will require completion:

Add SNAP-Ed Custom Data

Intervention name *

Choose the statewide intervention or initiative most related to this activity. Please contact your organization's administrator if your intervention isn't in this list.

Priority indicators *

Target audiences

Setting *

Select the primary setting for this program activity.

Primary curriculum *

Additional curricula

Specify any additional curricula used for this activity.

Objectives *

Intervention Topics *

Save and continue **Save** **Cancel**

Intervention Name

Intervention name *

Choose the statewide intervention or initiative most related to this activity. Please contact your organization's administrator if your intervention isn't in this list.

See gray box below for list

- For California, the Intervention Names are a condensed list of site settings based on the EARS site settings and 6 top level domains (Eat, Live, Lear, Play, Work, and Shop).
 - Please refer to the shaded box below for a listing of intervention names

- **Before/Afterschool Programs**
(YMCA, Parks and Rec, Boys and Girls Clubs etc.)
- **Early Care and Education**
(ECE sites, Head Starts, Pre-K sites etc.)
- **Faith Places of Worship**
(Churches, etc.)
- **Farmers Markets**
- **Food Distribution**
(FDPIR distribution sites, Food Pantries, Food Assistant sites, etc.)
- **Health Care Services**
(Clinics, Hospitals, Family Resource Centers, etc.)
- **Mass Media**
(this would be used in the case of a social marketing initiative)
- **Learning Sites (Other)**
(Extension centers, Libraries, WIC Clinics, etc.)

- **Places People Play**
(Parks, bicycle paths, Fairgrounds, etc.)
- **Places People Eat**
(Summer meals, Restaurants, Soup Kitchens, etc.)
- **Residential sites**
(Individual homes, rehab centers, group homes, etc.)
- **Schools**
- **Senior Services**
(Congregate Meal sites, senior centers, etc.)
- **Stores**
(Retail locations)
- **Worksite and related**
(SNAP Offices, Military bases, Adult Education (TANF), etc.)
- **Other (please specify)**
 - If "Other" is chosen a new field will open below for you to enter the "Other" Intervention Name.

Priority Indicators

Priority indicators *

See gray box below for list

(See also Handout with suggested indicators for commonly used curricula.)

- These are based on the SNAP-Ed Framework and listed in a dropdown list, you may choose all that apply to your Program Activity or based on the curriculum used.
- For direct education, the individual-level indicators in bold in the dropdown list below are the most relevant. These are organized by
 - **Short Term (ST)**
 - Goals and Intentions
 - **Medium Term (MT)**
 - Behavioral Changes
 - **Long Term (LT)**
 - Maintenance of Behavioral Changes

<p>Priority Indicators:</p> <ul style="list-style-type: none"> ▪ MT1 Healthy Eating Behaviors ▪ MT2 Food Resource Management Behaviors ▪ MT3 Physical Activity & Reduced Sedentary Behavior ▪ MT5 Nutrition Supports ▪ MT6 Physical Activity & Reduced Sedentary Behavior Supports ▪ LT5 Nutrition Supports Implementation ▪ LT6 Physical Activity Supports Implementation ▪ LT7 Program Recognition 	<ul style="list-style-type: none"> ▪ LT8 Media Coverage ▪ LT10 Planned Sustainability ▪ R2 Fruits and Vegetables ▪ ST1 Healthy Eating ▪ ST2 Food Resource Management ▪ ST3 Physical Activity & Reduced Sedentary Behavior ▪ ST5 Readiness and Need ▪ ST7 Organizational Partnerships ▪ ST8 Multi-Sector Partnerships and Planning 	
<p>Target audiences</p> <input type="text"/>	<ul style="list-style-type: none"> • <i>Target Audience is optional and not a requirement for CA data entry</i>

Add Program Activity Demographics

In this section the following items will require completion:

Add Program Activity Demographics

Click the auto calculate button to have your demographics auto calculated based on responses entered on attached program activity survey instruments.

Auto Calculate

Report the total number of unique participants for this program activity. Also include the demographic makeup of participants.

Total *

Method used to determine demographic makeup of participants *

Source of Data *

Age & Sex *

	Female	Male
Less than 5 years	<input type="text" value="0"/>	<input type="text" value="0"/>
5 – 17 years	<input type="text" value="0"/>	<input type="text" value="0"/>
18 – 59 years	<input type="text" value="0"/>	<input type="text" value="0"/>
60 years or older	<input type="text" value="0"/>	<input type="text" value="0"/>

Ethnicity

Hispanic / Latino	<input type="text" value="0"/>
Non-Hispanic / Latino	<input type="text" value="0"/>

Race

American Indian or Alaska Native	<input type="text" value="0"/>
Asian	<input type="text" value="0"/>
Black or African American	<input type="text" value="1"/>
Native Hawaiian or Other Pacific Islander	<input type="text" value="0"/>
White	<input type="text" value="0"/>

For SNAP-Ed Users:

The age & sex table must equal the overall total for SNAP-Ed participants. This is a requirement for 2017-2019 EARS data. If you enter data for ethnicity it will be validated to make sure the sum of the numbers entered is **not higher than** the overall total. Since people may report multiple races the race table will allow for a sum higher than the total number of participants for the activity.

- For **adult** demographics
 - Before you can auto calculate your demographics you'll need to add a survey instrument and add all the responses for the Adult Demographic half sheet.
- For **youth** demographics
 - If the site is a public school and has a CDE (County District School) code with updated demographics for FFY18, the demographics will calculate automatically once a **total** number of students is entered into the **Total Field**
 - If the youth site is not a CDE coded school then the number of students will need to be entered into the total Field, and all subsequent data, sex by age, Ethnicity and Race

Total

- Report the total number of unique participants for this program activity.
 - For youth, enter in the total number of students in one classroom or group of students.
- If the extender has multiple classes or groups of students being taught each class will need to be entered separately under a separate Program Activity.

Method used to determine demographic makeup of participants

- **Actual Count** = participants were actually counted by the educator or completed and adult demographic form themselves (self-reported data)
- **Estimated Count** = all other methods used to count the participants including CDE Data
- **Source of Data (examples)**
 - **Commercial market data** on audience size
 - Radio or television reach, supermarket reach or data on number of patrons in a specified amount of time
 - **Survey of target audience**
 - Adult half sheet
 - **Visual Estimate**
 - Visual count and estimate of race, ethnicity and gender
 - **Other**
 - CDE Data

Age & Sex

Age & Sex *

	Female	Male	Unknown
Less than 5 years	<input type="text" value="0"/>	<input type="text" value="0"/>	<input type="text" value="0"/>
5 – 17 years	<input type="text" value="0"/>	<input type="text" value="0"/>	<input type="text" value="0"/>
18 – 59 years	<input type="text" value="0"/>	<input type="text" value="0"/>	<input type="text" value="0"/>
60 years or older	<input type="text" value="0"/>	<input type="text" value="0"/>	<input type="text" value="0"/>

- Enter participants' age by sex per the EARS fields provided, the total must equal the total number of participants entered at the top of the page.
- If a participant does not wish to answer the demographic questionnaire, estimates may be entered into the "Unknown" fields to make the total by age and sex equal to the total participants.

Ethnicity and Race

Ethnicity		Race	
Hispanic / Latino	<input type="text" value="0"/>	American Indian or Alaska Native	<input type="text" value="0"/>
Non-Hispanic / Latino	<input type="text" value="0"/>	Asian	<input type="text" value="0"/>
		Black or African American	<input type="text" value="0"/>
		Native Hawaiian or Other Pacific Islander	<input type="text" value="0"/>
		White	<input type="text" value="0"/>

- Enter in the number of participants that are Hispanic Latino and not Hispanic Latino, the total cannot exceed the total number of participants entered at the top of the page.
- Enter the participants' race(s), this total does not need to equal the total at the top of the page as more than one Race may be chosen.

Saving your Program Activity

- Clicking Save and Continue will save the information and move to the next section "**Attach Survey Instruments**"; Clicking save will save the data entered on the Program Activity Page, you may return to this program activity name to continue entering data at a later time.

Attach Survey Instruments

Attach Survey Instruments

You don't currently have any survey instruments attached to this program activity. Click the **Attach Survey Instrument** button to attach survey instruments to this program activity or click the **No Survey Instruments to Report** button if this program doesn't use a survey instrument.
